TASTING NOTES

Aged 27 months in a blend of Limosin, Allier, Tronçais and Bertranges barrels, the Magness Cabernet is intensely concentrated, bold, powerful and strapping. These are the characteristics to look for in great Napa Cabernet, and they are on full and glorious display in her newest cuvee of Napa Cabernet. Produced from a blend of 84% Cabernet, 10% Merlot and 6% other Bordelaise varieties, this powerful wine builds brilliantly upon RaNae's growing reputation for producing the finest value wines available out of Napa today.
